| Project Name | Hazardous Area Monitoring for Industrial Plant powered by IoT |

The screenshot displays the IBM Cloudant Dashboard in a web browser. The page title is "Databases". Below the title, there is a section labeled "Your Databases" which contains a table listing the databases. The table has five columns: "Name", "Size", "# of Docs", "Partitioned", and "Actions". There are two databases listed: "noderedmqwp20221117" and "sample". The "sample" database is highlighted. To the right of the table, there are buttons for "Create Database", "JSON", and a bell icon. At the bottom of the dashboard, it says "Showing 1-2 of 2 databases. Databases per page 20". The browser's address bar shows the URL "https://cloudant.com/dashboards.html#/all_dbs". The browser's taskbar at the bottom shows the time as 13:47 on 17-11-2022.

| Name | Size | # of Docs | Partitioned | Actions |
|---------------------|----------|-----------|-------------|---------|
| noderedmqwp20221117 | 15.9 KB | 3 | No | [Icons] |
| sample | 14 bytes | 1 | No | [Icons] |
